Summary of the submission details

The review schedule and the associated deadline
The Review process is divided into five steps.

**Review Steps**

1. Notify the submission’s editor as to whether you will undertake the review.
   
   Response:
   - Will do the review
   - Unable to do the review

2. Click on file names to download and review (on screen or by printing) the files associated with this submission. Submission will be made available, if and when reviewer agrees to undertake review.

3. Click on icon to fill in the review form.

4. In addition, you can upload files for the editor and/or author to consult.

   **Uploaded files:** None

   ![Upload Files](#)

5. Select a recommendation and submit the review to complete the process. You must enter a review or upload a file before selecting a recommendation.

   **Recommendation:**
   - Choose One
   - Submit Review To Editor
Log in and click the Edit My Profile link from your User Home page. Alternatively, once logged in you can always click the My Profile link from the User Block on the sidebar. From here, you can update your email address, or change your personal information.
Please be aware that you can't completely delete your account from the system yourself.

If you want to register in another role (for example, if you are already a Reader, but also want to become an Author), check off the checkboxes next to any available roles, near the bottom of the page.
Resetting Password (1)

If you remember your password and just want to change it to something else:
Log in, and from your User Home page or the User Block on the sidebar, click the Change My Password link.
